# Neven Zuhair Ghasoun

## Front-End Developer

Syria, Lattakia | +963 993748380 | **linkedIn** | **GitHub** | nevenghasoun@gmail.com

## SUMMARY

**Front-End Developer** with over two years of hands-on experience in crafting, optimizing, and deploying interactive web applications using HTML, CSS, Bootstrap, JavaScript, and React.js. Skilled in API integration and building user-friendly interfaces that enhance user experience and engagement. Proven ability to deliver high-quality projects, working independently or collaboratively within diverse teams. Experienced with various hosting services like Hostinger, GoDaddy, and Tasjeel, and committed to continuous growth, always eager to tackle new challenges that enhance skills and contribute to impactful business solutions

## EDUCATION

### Tishreen university

- Graduated from the Department of Computer Engineering and Automatic Control
  **2016-2021**

## EXPERIENCE

### Focal X Company | 2022 – 2024 (Remotely)
### Trainee in Front-End Development Team

- I have extensive experience in front-end development, having specifically designed within the front-end development team at FocalX.
- I trained and worked on several projects, which helped me gain advanced skills in HTML, CSS, Bootstrap, JavaScript, React.js, Hooks, and API Integration.
- I have developed and successfully deployed several projects, which have enhanced my practical experience and understanding of the challenges of web development.

## Golden Click Company | Various Projects (Remotely)
## Front-End Developer

- I have worked with Golden Click to implement several projects and publish them on different servers such as Hostinger, GoDaddy, and Tasjeel.
- Provided innovative solutions in front-end design and development, with attention to user experience and ease of navigation.
